

Music KS1 (Curriculum Bank)

A teachers guide to planning, differentiation and assessment when teaching music. The practical activities in this book break down the music programme of study for Key Stage 1 into progressive learning chunks, building the confidence of both teachers and children, and catering for the needs of all abilities. It is also suitable for Scottish levels A-B. Throughout, this book recognises the constraints of the primary classroom and curriculum in both time and resources, and highlights IT.
