

A Shift in the Water (Elemental Shifter) (Volume 1)

Cade Bowman leads a small werewolf pack in Bellingham, Washington. Or he did, before a fire elemental intent on revenge traps him as his wolf. His pack gone, held prisoner by the elementals charms, he knows death is coming for him. Mara Taylor is dying. A mysterious blood disorder is taking her life and her doctors cant seem to stop it. Only her daily swims offer her any relief. Resigned to her fate, she heads to Orcas Island for one last swim. When Cades wolf finds Mara, he knows instinctively that shes the key to freeing him from the fire elementals charm. Shes more than that. Shes his. Can Mara free Cade his wolf and save her own life in the process? And if she does, can they survive when they learn the identity of the fire elemental hunting them both?
