

Wytchfire (The Dragonkin Trilogy Book 1)

Kellogg Writers Series Whirling Prize Winner (University of Indianapolis) In the dragon-haunted land of Ruun, Rowen Locke has been many things: orphan, gravedigger, mercenary. All he ever wanted was to become a Knight of Crane and wield a kingsteel sword against horrors he's known since childhood. But that dream crumbled, replaced by a new nightmare. War is overrunning the realms, and in a world where no one is blameless, the time has come for one disgraced man to decide which side he's on.
