

## Zoes Blockade (Destinys Trinities Book 5)

The impossible just might be possible when trinities are forming. Zoe got out of the hunting business years ago and headed north into the Canadian Rockies, shortly before meeting Cole, a Canadian military officer, and Declan, the town's sexy doctor. Cole and Declan are married, but still weaken her knees and her heart and change her life forever. When Declan dies in a skiing accident, Cole is devastated. Zoe helps him pick up the pieces and after years of circling each other, they marry and settle into a quiet life in the mountains. Then a man called Diego Savage arrives on their doorstep and says they are two of a special trinity who must halt the evil forces that are surrounding their house, blocking them from the outside world and determined to stop the forming of the trinity. Only who is the third? The bonding has begun.
